15TH SEPTEMBER, 2025

SALVATORIAN FRIENDS,

Shallom our brothers and sisters ! We thank our Almighty God for giving us this opportunity to write this letter to you. Secondly we wish to extend our thankfulness for your kind donation to help develop our institutions.

Your kind gesture has changed our learning environment very much. The new classrooms we have, have made our learning enjoyable. Each and every learner has begun to love attending our everyday lessons with our teachers.

How we pray that God gives you back abundantly. We promise to work harder in our studies and we shall continue to keep the motto: DUC IN ALTUM. God bless you

15th September, 2025

Our salvatorian Friends.

Shallom brothers and Sisters! Hope all is well with you over there. We're doing well here in Kenya. We would wish to take this opportunity to extend our heart-felt gratitude to God as well as you our beloved siblings in Christ.

Your kind donation has really been of great change in our institution. We can now study in a very conducive environment.

Learning has become enjoyable to us.

The new classrooms can accomodate all of us as compared to the old classrooms.

We cannot thank you enough for your kind gesture. How we pray that God should manifest in your lives. Amen

Bravin Kimutai

Dear fellow students

Receive warm greetings from grade 7. We hope your school is doing fine. We are doing well in our school.

We have written this letter to offer gratitude for assisting us with the paints to paint our new building. Your paints have really made our building look beautiful and fantastic.

May God bless you in your studies and bless your school to have many more learners. May God bless the students, teachers, Parents and all the co-workers in school. We wish you the very best in your studies.

It is our great pleasure to welcome you all to our school. Your Presence will mean a lot and truly appreciate taking the time to join us.

Your's Loving
Grade 7 Learners
